GETTING READY

- Print at 100% (actual size). Choose US Letter or A4 to match your paper.
- Low Ink files use the same pages with lighter, greyscale art.
- Cardstock helps signs, badges, food cards and money last longer. Laminate for reuse.
- Grown-ups cut out the small pieces: food cards, coins, tickets and place cards.
- Pick a few pages to start: the menu, food cards, order tickets and role badges are enough for a first round of play. Add the rest as interest grows.
- Real snacks are optional. All food in this kit is pretend.
